## THE COTTAGE

What could be more idyllic than your own seaside hideaway during your wedding celebrations? Whether you wake up on the morning of your big day to brilliant blue seas, invite your bridesmaids over to raise a glass at sunset the night before the wedding, or spend your first night as newlyweds listening to waves rolling ashore, The Cottage is a rustic, seaside hideaway practically sat on the sand.

Our lovely beach cottage sleeps four people comfortably but can sleep up to six guests in total. There is a double room that overlooks the golden sand, a twin room with two single beds (or one double), and a comfortable double sofa bed in the lounge that offers the best view of all! The Cottage has a decked beach terrace and a courtyard for al fresco dining or BBQs.

## THE CHALET

Why not enjoy the beach a little longer?

The Chalet is nestled just behind the Cottage, in an elevated position so you get an incredible view of the beach and the stunning Cornish sunsets. Stay as newlyweds for a mini-moon and enjoy a glass of Champagne under the stars as the sun sets on your magical day. With waves lapping ashore as a lullaby and hazy morning sunrises to slowly light up the cove, your guests will feel refreshed and relaxed once the festivities are done and dusted.
