# WELCOME TO LUSTY GLAZE BEACH — WEDDINGS —

Best Coastal Wedding Venue 2023 (Hitched Awards)  
Winner of Best Wedding Venue 2021 (Muddy Stilettos Awards)  
Voted the Best Coastal Wedding Venue 2019 (UK Wedding Awards)  
Named most Instagrammable Wedding Venue in Cornwall (Alta Costura)  
Crowned Britain's Best Beach (The Sunday Times)

We are delighted that you are considering Lusty Glaze Beach as a wedding venue for your very special day. This award winning, iconic beach has been privately owned and operated since 1921. We pride ourselves not only on the beautifully decorated venue, but more so in our carefully designed wedding offerings and the team that make everything possible.

Whilst we offer structured options to assist you in your choices, our team are able to ensure that any bespoke requirements you may have can come to life. Whether that be a wedding in a cave at low tide, or in our beautifully covered lower deck which we affectionately refer to as The Marquee. Far from being a tent on a beach, this vast structure gives any wedding, large or small, the indoor/outdoor wedding feeling that you are dreaming of.

If there is an additional twist you'd like to put on your day, please do not hesitate to get in touch with our Wedding Team who will work with you to get things just right.

We really look forward to meeting you.

## ELOPEMENT WEDDINGS

### ALL YEAR ROUND

#### 2 - 10 People

Considering an elopement to exchange your vows is extremely special and intimate, something just for the two of you, or to be shared with a handful of people dear to your heart.

As such, our Elopement option can be as public or private as you choose in a range of locations across the site depending on the time of year. We will take the time to discuss with you exactly how you see your ceremony taking place. Our Wedding Team will happily be your witness should you require. After the ceremony, we will celebrate your union with a bottle of bubbles, or leave you in private to celebrate with your loved ones. This is your day to do your way.

Our Elopement option is available over a two-hour period in an intimate setting and can take place in the morning or late afternoon. This option is tailored for up to six people (including the wedding couple).

#### VENUE HIRE:

- Use of The Marquee for two hours and a bottle of bubbles.

Prices start from £1,750

*\*Please note the venue hire does not include your registrar fees.*

*\*Additional 4 guests can be invited at an additional fee.*

## INTIMATE WEDDINGS

### APRIL TO SEPTEMBER

#### 10 - 40 People

Our Intimate Wedding option follows a more traditional wedding format.

With the entire day taking place under one roof in The Marquee and an adjoining private beach section, this is the most beautiful and intimate option for between 10 and 40 people. You will marry in a stunning ceremony area in The Marquee, tastefully sectioned off so that your private dining area is completely separate. Later in the day, depending on your wishes, the sections then become one large area for dancing the evening away with the opportunity to take the party out onto the sand.

From the ceremony to the wedding breakfast, speeches to kicking off your shoes for the evening's dancing, an Intimate Wedding will deliver the romance you've been dreaming of.

Our Intimate Wedding option is available from 15:00 – 23:00, Monday - Thursday, with a maximum of 40 guests (including the wedding couple and children).

#### VENUE HIRE:

- Exclusive use of The Marquee with private bar and a private beach section.

Prices start from £6,000

*\*Please note the venue hire does not include your registrar fees or food and drink.*

## WINTER WEDDINGS

### NOVEMBER TO FEBRUARY

20 - 60 Daytime Guests, 90 Evening Guests

Nothing is quite as dramatic as a winter beach wedding. From the comfort of our beautifully decorated venue, with nothing between you but stunning seascapes and roaring log burners, we offer perhaps one of the most spectacular places in the UK to conduct your wedding.

Our cosy bar, lounge and covered decking is breathtakingly romantic in the winter, with twinkling lights and blazing fires. The perfect and most sensational place to say your vows in front of the ocean.

Enjoy a post-ceremony dinner with your guests, and then dance the evening away without having to leave the venue. Don't forget winter wedding photos are incredibly striking against the backdrop of a raging sea and an empty beach!

Winter Weddings are designed for up to 60 day guests, November to February.

#### VENUE HIRE:

- Exclusive use of all internal areas of the cove.

Prices start from £3,000

*\*Please note the venue hire does not include your registrar fees or food and drink.*

## CLASSIC BEACH WEDDINGS

### APRIL TO EARLY OCTOBER

30 - 120 Daytime Guests, 200 Evening Guests

Probably one of our most popular wedding options, the Classic Wedding is spread across a number of beautifully decorated areas both inside and on the sand. This gives you and your guests flexibility for the ideas and themes you may already have for your day.

The ceremony takes place on our covered Top Deck, and the remainder of your day gives you exclusive access to the Top Deck and The Marquee for your meal and dancing. Immediately outside of the The Marquee you will have access to a private beach area with comfortable seating for you and your guests. The beach is ideal for beach games, cocktail sipping and mingling with your guests with the sun on your face. Although the general public will still have access to the remainder of the beach, you will have your own space to feel extremely special.

Should you wish to have total exclusivity of the beach, please read on, our Exclusive Beach Wedding option is for you!

The Classic Beach wedding package starts from £8,500

*\*Please note the venue hire does not include your registrar fees or food and drink.*

## THE COTTAGE

What could be more idyllic than your own seaside hideaway during your wedding celebrations? Whether you wake up on the morning of your big day to brilliant blue seas, invite your bridesmaids over to raise a glass at sunset the night before the wedding, or spend your first night as newlyweds listening to waves rolling ashore, The Cottage is a rustic, seaside hideaway practically sat on the sand.

Our lovely beach cottage sleeps four people comfortably but can sleep up to six guests in total. There is a double room that overlooks the golden sand, a twin room with two single beds (or one double), and a comfortable double sofa bed in the lounge that offers the best view of all! The Cottage has a decked beach terrace and a courtyard for al fresco dining or BBQs.

## THE CHALET

Why not enjoy the beach a little longer?

The Chalet is nestled just behind the Cottage, in an elevated position so you get an incredible view of the beach and the stunning Cornish sunset. As the sun sets on your magical day, retire to The Chalet and enjoy a glass of Champagne under the stars. Stay the night as newlyweds, and let your mini-moon begin. With waves lapping ashore as a lullaby and hazy morning sunrises to slowly light up the cove, your guests will feel refreshed and relaxed once the festivities are done and dusted.

## ACCESS

Breathtaking geographical features make Lusty Glaze Beach very unique and special. Being surrounded by 80 - 100ft cliffs, there is only one access point to the beach and this is via our famous 133 Lusty Glaze steps, with resting spaces every 10 - 12 steps where you can stop and enjoy the view.

For less able or elderly guests, we use a trusted local company to transport our lovely guests down and back up the steps in a quick, efficient and dignified way. Please ask for more details.
