WHERE IS LUSTY GLAZE BEACH?

A location map can be found at the foot of our website: www.lustyclaze.co.uk

CEREMONIES

We have various ceremony areas with the main two being on the beach or our upper deck area. Please check with us as to where it will be held that day

CELEBRATIONS

Celebrations are held in our beach marquee. Our stage is 16ft x 8ft. Should your entertainment require more space than this, please contact us to discuss your options.

UNLOADING & PARKING

The ONLY access to the beach is via 133 steps. Please take this into consideration when packing your equipment for the day and allow extra time for loading. There is no parking for the venue, however there is a public pay and display car park at the top of the cliff and on-street parking close by. There is a 15 minute free unloading time, please note that the car park is not owned or operated by Lusty Glaze Beach. You can pre-book your stay via the JustPark app using location code 804623.

FOOD & BEVERAGES

Unless by prior arrangement with the wedding couple, food and drink is not always available. As your booking is directly with the couple please ensure you have requested food and drink with them prior to their day.

HOUSE PA

We have an in-house PA system in the marquee that all bands and DJs are required to use (good news for your load in!)

Technical Specifications:

- ~ 2 x Martin Audio CDD12 speakers / structure hung,
- ~ 1 x Martin Audio CSX212 sub – stage right,
- ~ XLR connection box on stage for your FOH desk.

For performers during the ceremony and on the top deck, a small PA is available to hire or you must provide your own. Please contact us for more info.

PAPERWORK

Copies of Public Liability Insurance Certificates, PAT Certificates and any relevant licenses (eg. drone licenses) should be supplied to weddings@lustyclaze.co.uk upon confirmation of your booking. To operate on site at Lusty Glaze you must have a public liability certificate. If not supplied prior then you will not be able to offer your services.

EVENT MANAGEMENT POLICY

All Wedding Bookings are subject to our Event Management Policy in accordance with our Premises License. Our Event Management Policy is principally aimed at providing a brilliant celebratory atmosphere for the wedding couple and all their guests while at the same time keeping our neighbours happy and environment protected. We have an active local community that warmly welcomes all couples and wedding guests. Our unique location is reflected in the terms of our Premises Licence.

NOISE DISTURBANCE

We have a strict 11pm curfew and ALL music must finish NO LATER than 11pm. We keep evening entertainment at a level which ensures our guests still have a good time while letting our neighbours get a good night's sleep. If the limit is exceeded, we will turn you down and if necessary, in extreme cases, turn you off. Lusty Glaze does not accept any liability for non-performance due to a breach of this agreement. We respectfully request that voices are kept to an acceptable level outside after darkness and upon leaving the venue.

CONDUCT WITH TEAM LUSTY

Lusty Glaze Beach has many years of experience providing fantastic celebrations for couples and all their guests, young and old. We appreciate your cooperation on the night. Lusty Glaze Beach does not in any form tolerate verbal or physical abuse towards our Team.

Thanks for taking the time to read this document and we look forward to welcoming you to the beach.
